Eligibility Application
Revised 03/2024**

Thank you for your interest in Yakima Transit's Dial-A-Ride paratransit service. Paratransit service is not a taxi service. It is door-to-door, shared-ride, public transportation service for people who have a disability or diagnosis that effects their ability to use the fixed route bus system. To determine eligibility, please explain how your disability or diagnosis affects your ability to use the fixed route bus system. You may qualify for temporary, conditional or full service.

To apply:

- Fill out **PART 1 in its entirety** with the exception of questions identified as "optional". Add extra pages if necessary.
- Read **PART 2** completely. A signature is **REQUIRED** before an application can be processed. The applicant, parents of minors, legal guardians and/or power of attorney must sign the application.
- Professional Verification is **PART 3**. This section must be **completed and signed by a licensed medical or mental health professional.** (See list of approved professionals at top of page 8.)
- Return the completed application to the address on the form. (See the bottom of page 9.)
- Yakima Transit may need specific information about the effects of your disability. You may be asked to provide additional information and/or participate in a physical or cognitive functional assessment.

Your application will not be considered complete until all requested information has been provided to Yakima Transit.

Yakima Transit will process your application and notify you within 21 calendar days of receipt of your completed application. A completed application may include an in-person or cognitive assessment if required and any additional information requested.
